**Subject:** Update - U.S. EPA - Need to Change Meeting on January 24th to a Conference Call Due to Expected Weather Issues in Reno Area

Ashley –

I will send out a revised calendar invite to change next Tuesday, January 24<sup>th</sup> meeting with EPA Acting Regional Administrator Alexis Strauss to a teleconference call as Alexis will no longer be traveling to Reno for next week's Tribal meeting and the meeting with you, Stacy and Gillian. Both Stacy and Gillian have indicated that they can do a conference call at the same time and am hoping you can still as well. Thanks again for your understanding and Alexis and I look forward to talking with you all next Tuesday at 1:00pm.

Stacy –

Thanks for your message and ability to participate in a teleconference call in lieu of a face-to-face meeting. As soon as I hear back from Ashley and Gillian as to whether they also can do a call at the same time, I will send out a revised calendar invite with the call in information. Thanks for your flexibility and understanding.

Gillian Block, Field Representative, Office of Senator Catherine Cortez Masto

Dear Colleagues:

Our Acting Regional Administrator Alexis Strauss has asked me to reach out to each of you to let you know that because of the expected weather issues next week in the Reno area, she will not be attending as planned the Regional Tribal meeting in Carson City in person, and wanted me to see if in lieu of her meeting with you in person on Tuesday, January 24<sup>th</sup> at 1:00pm in Congressman Mark Amodei's Reno Office, whether I could set up a conference call or, if possible, a video-teleconference if your offices have that capability instead. If setting up a video-conference (VTC) is problematic, I can easily set up a tele-conference line with a call-in number and access code.

**Please let me know if a tele-conference would work best and if so, will adjust the calendar invite and resend to each of you.** I look forward to hearing back from each of you and thanks for your understanding.

**Dial-In Number:** (866) 299-3188

**Conference Code:** 4159721596#

**Leader PIN:** 1015 (for use only by Brent Maier to initiate the call)

Please give me a call if you have any questions or need any additional information.

Brent Maier
